ABOUT THE COMPANY

The Company was established in the year 2009 and in this 15 year's we have established ourselves as a major producer of high fashion leather Garments and we have already started bags and belts.

Our factories have a clean and efficient working environment & experienced bunch of technical teams.

We cater to all the segments of the fashion market including Men's and Women's. We produce both basic and value-added products. We focus on value addition in both quality and embellishments and endeavor to create product lines that make fashion – affordable.

QUALITY

A Quality product @ competitive pricing & delivered on time Compliances.

OUR STRENGTH

We have steadily increased our Monthly Production Capacity to

7000 Leather Garments
2000 Bags and 2000 Belts per month.

The company now has a direct and indirect workforce of over 130 people.

We have tie-ups with proven and reputed Mills & Suppliers for procurement of Fabrics, Leather & Raw material.

We are fully charged up to produce quality merchandise as per our buyer's requirements and have complete in-house quality control systems.

Team

Our team is our biggest strength and the team spirit is the backbone of our organization.

Our team has been carefully selected to handle and fulfill highly specialized tasks.

We provide a working environment that gives the employees a sense of responsibility, awareness, and appreciation of their individual contribution to overall performance of the organization.
